

My Sister's Keeper

Surrounding Women Undergoing Cancer Treatment with a Supportive Community

WHO WE ARE

My Sister's Keeper (MySKCle) is a recognized nonprofit organization devoted to creating a supportive community for women navigating cancer treatment.

We provide a unique range of services to uplift and stand with women during their fight against cancer. In collaboration with local enterprises, we deliver diverse services to our "sisters", also bridging the connection between women currently undergoing treatment and those who've faced similar challenges before.

AVAILABLE SERVICES

- Wigs
- Bras
- Art Therapy
- Mentorship

All services are offered to our Sisters free of charge. *Available to active members who are eligible.

WE ARE WARRIORS

At My Sister's Keeper, we believe in the strength and resilience of those facing cancer. We don't see ourselves merely as survivors; we are WARRIORS. Each day, we fight with courage, determination, and an unwavering spirit. Our journey is not just about surviving but thriving, overcoming obstacles, and emerging stronger. Join us in celebrating the warrior spirit that defines us all.

Community Based Referrals

MySKCle connects our sisters to external resources available within our community through Unite Us - network of health and social service providers.

Project Hope

Project Hope is a fundraising effort that supports a final wish for our sisters who are near end of life.

100% of monies raised goes towards fulfilling these wishes or acts of love. Project Hope has also been utilized to provide transportation services for family members to accompany loved ones during treatment.

-Services are initiated by your Big Sister.

Wigs

Custom wigs are meticulously crafted for our clients and distributed through our partner salons.

Additionally, off-the-shelf and donated wigs are available as needed. These wigs are provided at no cost or billed to insurance payors through So Mink Collections and iSalon Plus, DME.

Signature Events

MySKCle hosts annual events such as the Pretty in Pink Gala and A Walk in Her Shoes. These events foster a sense of community, advocate for cancer awareness, and provide crucial support. They play a vital role in restoring confidence and self-esteem among cancer survivors, offering them a platform to connect, share their journeys, and celebrate their resilience.
